THEIR FRIENDS. THEIR STORIES.

Making new friends and making memories with old friends are important parts of the school year. Help your student keep the fun and memories alive for years to come with a yearbook, a time capsule of the events and people that made this year unique.

Use this form to order the 2023 Nuestro Elementary School yearbook today. The cost for the yearbook is \$25.00.

We are offering other items to order in addition to the yearbook.

- **PERSONALIZATION:** Students love to see their pictures in the yearbook, and they'll be even more excited if their name appears right on the cover. Personalization makes the book special for your student and prevents mix-ups.
- **OUR WORLD NEWS SUPPLEMENT:** This four-page supplement, intended for younger readers, features photos and captions about the year's most notable news and events coverage.
